**PLAYING RULES AND PROVISIONS
2020 SEASON**

Proposed 09/27/2021

Welcome to the Chesterfield Basketball League. The purpose of this League is to develop character and improve the physical well-being of Chesterfield Youth while they enjoy the game of basketball. The following codes of conduct, regulations and general rules have been enacted in order to achieve the goals established by the League and to provide organization, safety and security for participants and spectators.

I. CONDUCT - COACHES, PLAYERS AND SPECTATORS:

The League and Executive Board expects all players, coaches, parents, and spectators to exhibit a high standard of sportsmanship and to observe all published rules and regulations of the Chesterfield Basketball League as well as those of the Chesterfield County Parks & Recreation Department and the Chesterfield School Board. While not attempting to list all actions, which might be considered detrimental to a youth basketball program, it has become necessary to spell out some of them because of the conduct of some players, coaches, parents, and spectators during past seasons. Accordingly, the following actions will result in disciplinary measures being taken:

1. **PROFANITY WILL NOT BE TOLERATED FROM PLAYERS, COACHES OR SPECTATORS AT ANY TIME. COACHES WILL BE RESPONSIBLE FOR THE CONDUCT OF THEIR PLAYERS AND THEIR ASSOCIATION PARENTS AND FANS DURING ALL GAMES.**
2. **ONE (1) COACH OR PLAYER TECHNICAL FOUL FOR UNSPORTSMANLIKE CONDUCT will result in automatic ejection from the game. The offending coach or player will be required to immediately leave the gymnasium area before play is resumed, will be suspended for the next regularly scheduled game and will not be allowed to be present in any gym for any scheduled game until their suspension has expired. Failure to comply with this rule will be grounds for forfeiture of the game by the offender's team. TWO (2) bench technical and/or player technical fouls in one game will result in automatic forfeiture of the game. (This excludes technical fouls called as a result of playing rule violations (i.e., illegal time-outs, minors pressing in the back court, incorrect number of players on the floor, etc.). Both coaches from each team must report any ejections for technical fouls to the league commissioner within 24 hours. Failure to do so, will double the above penalty.**
3. **Any team that loses TWO (2) games in any ONE (1) season due to forfeiture of the two games because of unsportsmanlike technical fouls will be suspended from further league play for the entire season. The record for the team will not be used to compute any post season standings.**
4. **All bench technical fouls will be charged to the offending individual, if the offender can be determined by the referee. If the referee cannot determine the offender, the bench technical foul will be charged to the Head Coach.**
5. **The REFEREE will warn the Head Coach when his TEAM FANS are displaying improper sportsmanship. The referee may impose a technical foul on the Head Coach if**

the fans continue improper behavior. These technical fouls will be bench technical fouls and will be charged to the Head Coach.

6. Any Voting Representative, Commissioner or Officer of CBL, who also serves as a coach or an assistant coach will exhibit the highest standard of sportsmanship. If a game has to be forfeited because of technical fouls, or if there are three (3) technical fouls called against the Coach/Assistant Coach/Voting Rep Commissioner/Officer, during a season, he/she could forfeit his/her position with the CBL Board and/or as a Voting Representative.
7. Should any player or coach participate in a fight, threaten or challenge any referee or League Official, the offender will automatically be ejected from the game and placed on suspension. The Executive Board will review the incident and determine the appropriate penalty which could result in suspension from further League activities for the remainder of the year (including playoffs). Should a parent or fan threaten or challenge, in any manner, a referee, CBL and/or League Official or gym security Officer, before, during or after a game or participate in a fistfight, their child (if applicable) will be suspended for a minimum of **four (4)** games. The offender (player; coach; parent; fan) will be requested to leave the gymnasium area and/or the Chesterfield Police Department will be summoned. If the conduct of a team requires the League to provide Police security at a gym, the League will require the team's association to pay for the security officer.
8. Any player, or players who are on the bench and leave the bench during any altercation between players participating in the game, will be ejected from that game and suspended for the next two games. This will also result in an automatic forfeiture of the game. If both teams have players who leave the benches, it will be a double forfeiture.
9. **Any player who has been expelled or suspended from CHESTERFIELD COUNTY SCHOOLS cannot participate in any CBL practices or games during the suspension period.** The above ruling is in compliance with Chesterfield County School policy which requires that students who are on out of school suspension (OSS) **CANNOT** be on any school property during the suspension. CBL does not consider the suspension period to be completed until the participant has attended one day in school following the suspension period.
10. All coaches, players, other participants and spectators are additionally required to abide by the most current version of Chesterfield County Parks and Recreation Code of Conduct as published on the County website and the current County sports manual.
11. Coaches, team personnel, sponsors, parents, fans, cheerleaders or Associations found to be in violation of the above rules or who take any action which the Executive Board considers to be detrimental to the youth basketball program, are subject to swift and severe disciplinary action rendered by the Executive Board and/or Chesterfield County under provisions of the Code of Conduct. The Executive Board will rule on the merits of each individual case.

12. If an offender refuses to abide by the above rules or penalties, CHESTERFIELD COUNTY POLICE WILL BE CALLED TO ESCORT OFFENDERS FROM THE CHESTERFIELD COUNTY SCHOOL PROPERTY. The Executive Board endorses the issuing of warrants for the arrest of offending parties, IF NECESSARY.

II. ASSOCIATION REQUIREMENTS/RESPONSIBILITIES:

1. CONCUSSION POLICY

Effective July 1, 2014, the General Assembly of Virginia approved an amendment to Code of Virginia 22.1-271.5 regarding concussions. Chesterfield County now requires all cosponsored recreational programs to have a concussion policy which follows the guidelines outlined in 22.1-271.5. The Chesterfield Basketball League Executive Board has endorsed this requirement, effective July 1, 2014 and requires each association develop a policy and program to provide training to comply with the above law prior to the initiation of the 2015 season for practice and or games. Revised team registration forms will now have an area to indicate the coach has successfully passed the concussion training and the date the training was completed. It shall be the responsibility of each association to insure this training was successfully completed or the individual applying for a coach's position (head coach or assistant) will be ineligible to coach. The Centers for Disease Control (CDC) offers information for concussion training and certification at www.cdc.gov/Concussion.

2. CHESTERFIELD COUNTY PUBLIC SCHOOLS SMOKING POLICY

Effective July 1, 2015, the School Board of the Chesterfield County Public Schools enacted School Board Regulation 4010-**R prohibiting the use of tobacco products and electronic cigarettes on all school division property**. School property is defined as the interior and exterior of all schools, athletic facilities including concession stands and restrooms, school grounds including lawn areas, sidewalks, driveways, parking lots, playgrounds and bus loops. **It will be the responsibility of each individual association** to notify parents and spectators of this policy and request anyone observed violating the policy to safely discard the tobacco product that is in use. This will include any practice times at a school facility as well as games. If an individual refuses to comply with the policy, they will be asked to leave the premises in addition to other possible consequences. Assistance for your association when a person refuses to comply can be obtained through the Parks & Recreation hotline at **748-1624**. The entire policy is available on the Chesterfield County Public Schools website.

III. COACHING REQUIREMENTS/RESPONSIBILITIES:

5. **All first-year coaches** must attend a mandatory clinic on playing rules and requirements. All senior coaches must attend a mandatory clinic prior to the beginning of the season. Failure to attend these clinics will prohibit the coach from being approved by the league.
6. **Should a team have an illegal player on the roster and play THREE (3) or more games, the team will become ineligible for any post season participation regardless of their season record.** As indicated elsewhere in these rules, Head Coaches are responsible for team conduct, training and eligibility.
